

# AARP TAX HELP

The AARP **has now** made a decision as to what the tax preparations will look like for this year (tax year 2021). All tax prep patrons who have chosen the United Way office for the AARP volunteers to do their tax returns will enter the United Way office **in person** at their appointed time to have their tax returns done. **Masks are required** for entry into the office, and patrons will also have their temperatures checked upon arrival.

**Please note there are 7 (seven) locations in Gloucester County where the AARP will be doing tax preparation services this year.** These locations are:

**United Way of Gloucester County**, Thorofare – Tues. & Thurs. 9AM to 1:30PM  
**RiverWinds Community Center** – Mon. (1PM to 6PM), Tues. & Thurs. (6PM to 9PM), and Friday (1PM to 4PM)
