Stage Set Up:
Buildings and Grounds helped to set up the stage for the Magic show which had approximately 90 in attendance. The stage was left up for the Shades of Harmony Christmas performance.
Foyer Lights:
Buildings and Grounds changed the foyer light bulbs and adjusted the timer as the area was in darkness from 5:30 p.m. They also changed the lights by the adult public computers.

Technology Issue:
Linda Comfort contacted Ken Bellia because her computer was not working. He referred her to Fred Ciolorito, his associate, who determined the computer in the Director’s office needed to be replaced. Then the new replacement computer wasn’t working. Ken Bellia came and installed a part which should have been on the computer. In the interim, Linda Comfort was using a lap top.

Bar Code Scanners:
Linda Comfort reported ordering additional bar code scanners for all of the staff and two backups. The staff can operate more efficiently by having the bar code scanners and not have to input multiple digit numbers for identification.

Projectors A and B:
Linda Comfort noted she called Ken Bellia because the projectors in Meeting Rooms A and B were not turning off. Room A was fixed and Room B needed a new bulb.

Personnel Issue:
It was noted that Marie Shafer will be out for the rest of the year due to her husband’s injury. She will be a caregiver for her husband.

Fire:
Linda Comfort reported after Thanksgiving, newspapers were set on fire by two males and then put into the book drop. Security cameras picked up the images for this incident that occurred on November 26, 2017 at approximately 6:30 p.m. There was no damage other than the scorched newspapers. Unfortunately, the cameras did not get a clear picture of the two individuals involved.

Improved Security Cameras:
The Board discussed the need for better security cameras in targeted areas which would help to identify the individuals causing any vandalism at the Library. Linda Comfort will research prices for improved camera reception and will report to the Board at the next meeting. It was suggested that better cameras might mean fewer camera sites would be available but would enhance the staff’s ability to identify troublemakers.

Museum Passes:
Theresa Vanleer, Samantha Snyder, and Martha Oxley discussed establishing a Library policy concerning the museum passes which will be offered to patrons in the coming year. They researched procedures used by other libraries and the Board will review
their ideas. Each Museum pass will be specific to that facility.

**Troublesome Teens:**
Linda Comfort reported an incident involving harassment by teens toward a Library employee. John Pohler stated any incident should be immediately reported to the police for them to handle and not to become involved in any kind of confrontation with these young people.

**Garden Committee:**
John Pohler reported on the outdoor electrical survey noting which lights were out in the parking lot. He will present his written survey at next month’s meeting.

Joan Betterly reported that Catherine D’Imperio, member of the Friends of the Library had asked about obtaining books for her Church. On her own, Catherine D’Imperio purchased new books and asked for a certain amount in payment for these books. It was determined that this type of matter is not within the scope of the by-laws of the Friends of the Library and this would have to be a decision by the Library Board. It was also noted that the Church was not in Monroe Township. After discussion of the matter, a motion was made by Joyce Samoyan not to reimburse Catherine D’Imperio for the purchase which she made without permission, seconded by Carol Patterson. All voted in favor.
