The vendor company ordered the needed part and fixed the door 1/09/18.

   Technology:
   Everything seems to be going okay with the computer in the Director’s Office. Ken Bellia and his associate were able to do remote access.

   Mrs. Claus:
   Linda Comfort reported that the visit from Mrs. Claus went well. Santa’s visit was cut short on December 15, 2018 when the Library closed early due to a snow storm.

   Snow Closing Policy:
   Linda Comfort brought to the Board’s attention a concern from the staff for the creation of a snow policy. The Board discussed part timers being able to get their hours in on
an alternative day since the closure was not their fault. It was also recommended that in situations involving early closing due to weather conditions, that Linda Comfort contact Town Hall to coordinate closing policy. It was also discussed that patrons returning books in the drop box should not have a fine if the Library is closed early and the return is recorded the following day.

**Last Day:**
Linda Comfort noted that Marie Shafer last day will be February 28, 2018.

**Computer Usage Fee:**
Linda Comfort advised that the Library recently has been visited by therapists with foster children from the Sicklerville and Marlton, New Jersey areas. They wanted to use the computer services that the Library has to offer, however, they didn’t want to pay the fee. It was also stated that the parents of the foster children did not want the children to obtain Library cards. The Board discussed the issue and determined the guest pass fee of $1.00 per hour should be charged.

**G. Committee Reports:**
**Garden Committee:**
John Pohler submitted his Light Survey Report to Linda Comfort. His report includes all pole lights that are out; lights on the exterior of the building; lights against the shrubs, and the front parking lot. He also noted that because of the garden freezing so badly this winter, he anticipates the tropical plants will not survive including the banana tree. He also noted when he was at the Library over the weekend, the Inquirer was thrown against the door and that it should be put in the drop box to protect it from the elements.

**Fund Raising Committee:**
Joan Betterly reported that the next book sale by the Friends of the Library will be the last week in April. She said she believes the Museum passes will soon be ready to go. A Museum pass loan policy has been established where a patron will sign in to get the pass and sign in when returning the pass. The pass will not be permitted to be returned in the drop box.

**H. Old Business:**
Carol Patterson asked for the Board’s confirmation that meetings in 2018 will be on the third Wednesday of every month. Another issue raised by Carol Patterson was the Library closures over Easter: Good Friday, Holy Saturday, Easter Sunday, and Easter Monday and what the salary arrangements would be. This was discussed with Linda Comfort. The Board asked Linda Comfort to research past salary practices where a ½ day ½ day arrangement was traditional. The Board also discussed Christmas Eve and New Year’s Eve this calendar year. It was determined to table the Holiday schedules until the next meeting.
